

B6025G: IBM Cognos Analytics: Introduction to Authoring v11.0

Course Code: B6025G

Duration: 1 day

Instructor-led Training (ILT) | Virtual Instructor-led Training (VILT)

OVERVIEW

The IBM Cognos Analytics: Introduction to Authoring (v11.0) course presents you with ways to create, enhance, customize, and manage reports and charts using IBM Cognos Analytics - Reporting. Participants will view demonstrations and work through scenarios that illustrate key introductory concepts while exploring the basics of the Reporting tool.

If you are enrolling in a Self Paced Virtual Classroom or Web Based Training course, before you enroll, please review the Self-Paced Virtual Classes and Web-Based Training Classes on our Terms and Conditions page, as well as the system requirements, to ensure that your system meets the minimum requirements for this course.

SKILLS COVERED

Please refer to course overview
